Attn.: Mr. John C. McMillian, Deputy Division Chief

Re.: CDOT 06-0H6424, 06-Ker-99-49.6,
Construction on State Highway in Kern County in McFarland at Kern Avenue
Pedestrian Overcrossing (the "**Contract**")

Subject: **Bid Protest**
Bid Opening Date: September 7, 2016

Dear Mr. McMillian:

This letter serves as a formal protest to the bids submitted by M.C.M Construction, Inc. (MCM) and Bridgeway Civil Constructors Inc. (BCC) on the above-referenced Contract, as their respective bids failed to conform to the solicitation's Disadvantaged Business Enterprise (DBE) requirements, which as explained herein is sufficient grounds for finding both bids nonresponsive.

MCM, the apparent low bidder, failed to meet the DBE goal of 8%. Second apparent low bidder, BCC, failed to properly list their subcontractor bid items on the List of Subcontractors to correspond with bid items listed on their DBE Commitment Form.

Granite Construction Company (Granite) submitted a timely and responsive bid on September 7, 2016 for the above-referenced Contract. Granite met the DBE Goal, listing 20% participation on their DBE Commitment Form (Attachment 1). Granite also listed ACE Fence Company on their List of Subcontractors and their DBE Commitment Form. Granite listed ACE Fence Company for bid items 49 through 53 under Entry 8 on their List of Subcontractors and for bid items 55 through 58 under Entry 9 on their List of Subcontractors (Attachment 2). These items correspond to page 3 of 3 of Granite's DBE Commitment Form. Granite's DBE Confirmation for ACE Fence Company list a total participation value for ACE Fence at \$722,535.00 (Attachment 3).

Both MCM's and BCC's Bids were Non-Responsive

1. There was opportunity to meet the DBE goal, and MCM's bid was non-responsive in this regard.

As illustrated by the DBE Commitment forms of both the second and third apparent low bidders, there was opportunity to meet the DBE goal of 8%. MCM only achieved 5.6% (Attachment 4). By properly listing ACE Fence Company alone for the fencing and guardrail scope MCM could have achieved the goal at 17.5%. This would not have required listing any other DBEs for participation to meet the goal. MCM listed All Steel Fence, Inc. for bid items 17, 49 through 52 in Entry 9 of their List of Subcontractors and Apex Fence Company for bid items 16, 18 and 55 through 57 under Entry 3 of their List of Subcontractors (Attachment 5). There was opportunity for a Bidding Firm to meet the DBE goal on this contract.

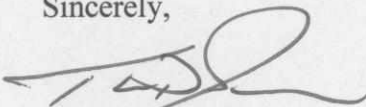

2. BCC's List of Subcontractors for DBE credit was non-responsive to DBE goal.

Section 2-1.10, Subcontractor List of the Standard Specifications requires bidders to identify all bid items for which they intend to utilize a listed subcontractor to perform work. BCC listed ACE Fence Company for only bid items 16, 17, 18, 49, and 50 under Entry 22 on their List of Subcontractors (Attachment 6), but claimed participation for bid items 16, 17, 18, 49, 50, 51, 52, 53, 55, 56, 57, and 58, on their DBE Commitment form (Attachment 7). BCC claimed DBE participation from ACE Fence Company in the amount of \$731,965.00 on their DBE Commitment form and their DBE Confirmation form for ACE Fence Company (Attachment 8). By failing to include bid items 51, 52, 53, 55, 56, 57 and 58 on their Subcontractor List, BCC excluded ACE Fence Company from the \$707,105.00 of DBE participation indicated on BCC's DBE Confirmation form for ACE Fence Company and per ACE Fence Company's quote. The exclusion of these bid items from BCC's Subcontractor List lowers BCC's DBE participation to \$173,314 or 4.12%, which is well under the 8% goal.

In summary, because both MCM's and BCC's bids were non-responsive in meeting the DBE goal, and because Granite utilized available opportunities to meet the DBE goal, and properly listed subcontractor bid items on the Subcontractor List to correspond with DBE participation on their DBE Commitment Form, and Granite's bid was otherwise responsive, Granite should be awarded this Contract.

Should you have any questions or require additional information, please do not hesitate to call the undersigned at (661) 387-7751.

Sincerely,

Thomas James
